

Open an email received from Zoom. If you do not see such email in Gmail **Primary** tab, try to find it in **Updates** tab

The screenshot shows the Gmail interface with the 'Updates' tab selected. The left sidebar contains navigation options: Compose, Inbox (4), Starred, Snoozed, Important, Chats, Sent, and Drafts. The main content area shows the 'Updates' tab with a list of emails. The top navigation bar includes 'Refresh', 'More', '1-16 of 16', and navigation arrows. The 'Updates' tab is highlighted with a red arrow. The email list includes:

Fill the “Topic” field, select “**Recurring**” meeting type, and “**Save**” the activity.

We may suggest creating just one “recurring” meeting for the whole course and reuse it for all lectures within the course.

Click on the “Start Meeting” button. If Zoom client is not yet installed on your computer, then file download will be initiated. If you do not see file download prompt from browser click on “download and run Zoom” link to force download

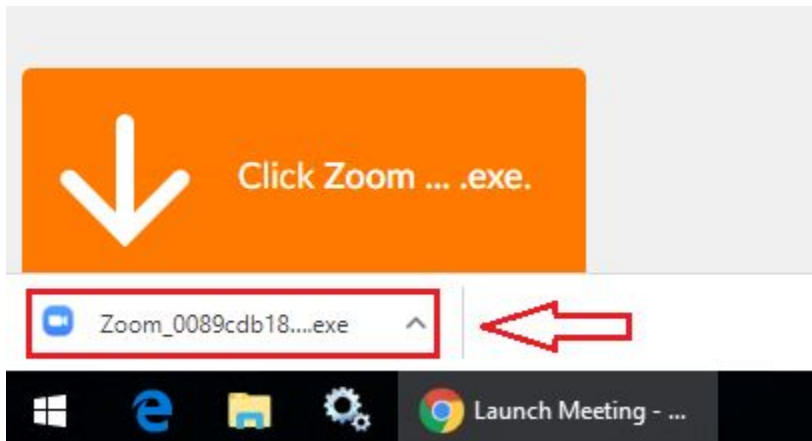

If nothing prompts from browser, [download & run Zoom.](#)

Please click Open Zoom Meetings if you see the system dialog.

If nothing prompts from browser, [click here](#) to launch the meeting, or [download & run Zoom.](#)

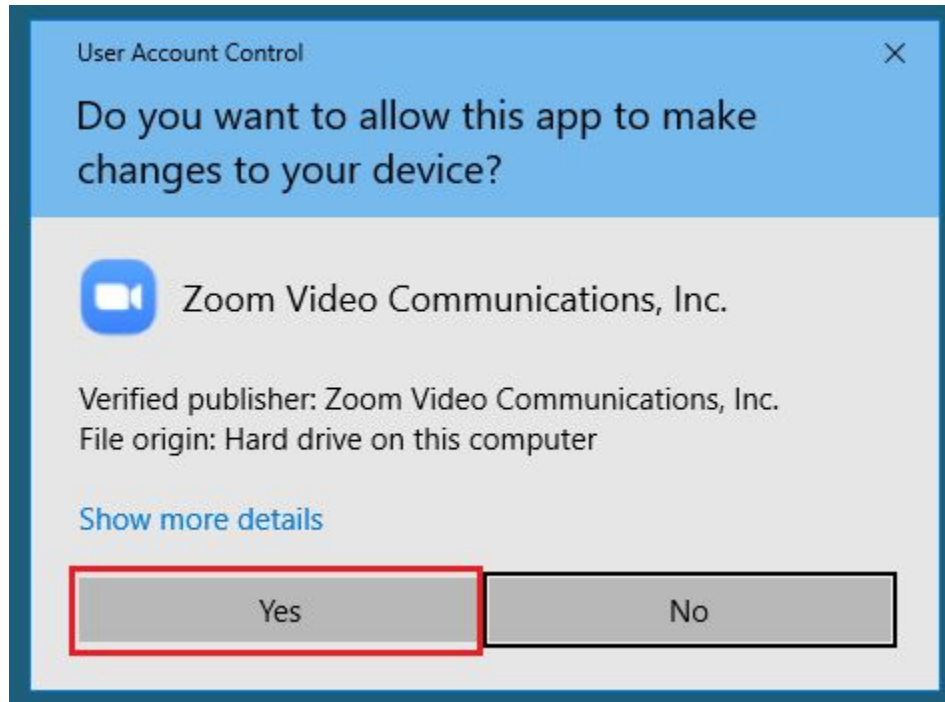

If you cannot download or run the application, [start from your browser.](#)

Once file is downloaded, open it to start Zoom client installation

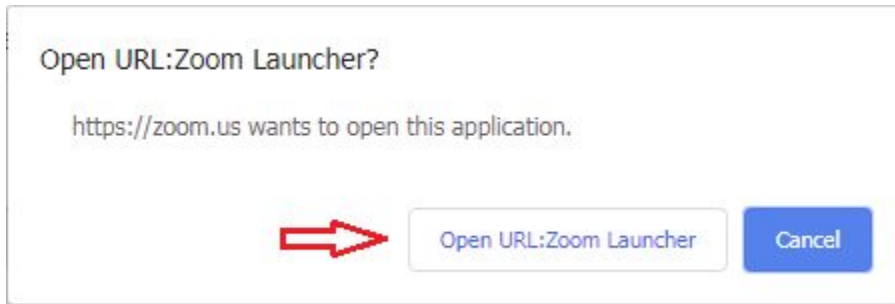

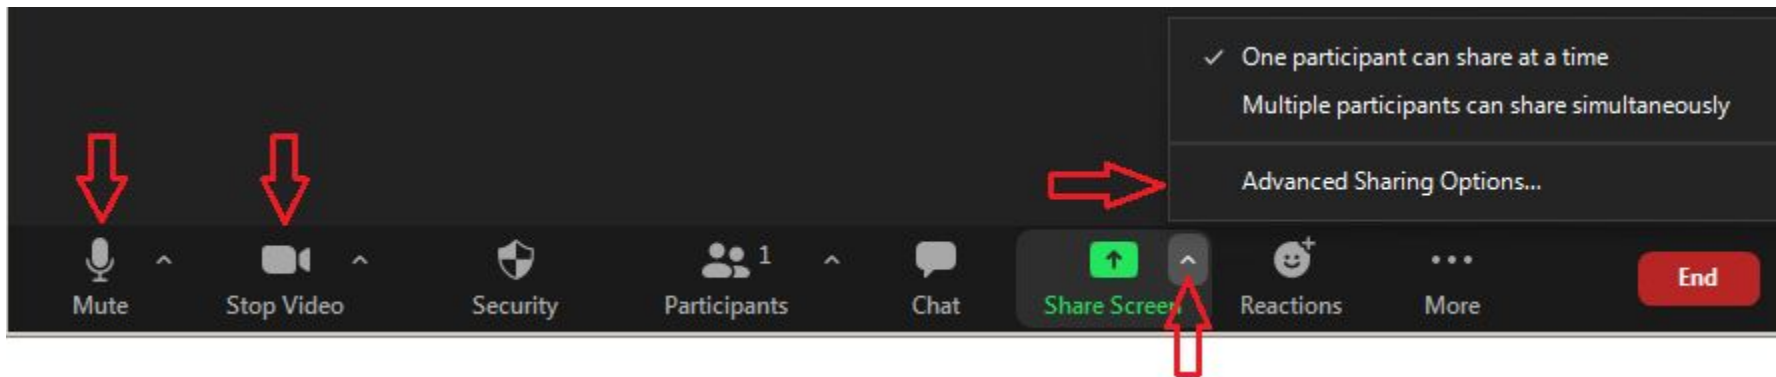

If you see confirmation popup window during installation process, confirm it by clicking on "Yes" button

If you already have a Zoom client installed on your computer then, when you click on the “Start Meeting” button, Zoom will automatically launch. In Chrome browser you will see popup window, click on “**OpenURL:Zoom Launcher**” button

Ensure that you have your microphone connected to the computer.

In order to prevent participants from sharing their screens, open “**Advanced Sharing Options...**” and ensure that “**Only Host**” radio-button is selected

You need to be logged in to Zoom in a web browser with your AUA Google account, in order to be able to start a Zoom meeting from Moodle.

If you see the message below, when trying to start a meeting from Moodle, that indicates that you have been logged off from Zoom in the web browser. Just sign in again, and click on “Start meeting” button in Moodle one more time .
